SCHOOL NOTES

School is again in running order and all's well. The High school has a football team in training under Mr. Tomlinson and, although we do not enter the league this year, we may put on an exhibition game some time.

A High school orchestra is being formed under Mr. Tomlinson's direction. It is expected that several High school pupils will take up various instruments in the near future, so that Crystal Falls will be able to match her orchestra with any other in the peninsula. A full list of the members is not yet obtainable.

The Girl's Glee club, under Miss Schutte, has again been organized.

C. H. Merke has been engaged to coach the Faculty Ladies' Basketball team this year. With the material at hand he is expected to turn out an exceptionally strong team. No doubt the challenge will soon go out to other faculty teams of the peninsula. The first practice was held on Tuesday evening.

If any one has a spare rocking horse to loan please leave it at the door of the German room for Herr

Varney. It's too hard on the furniture to use the chairs for rockers.

So as not to be outdone by the ladies, the gentlemen members of the faculty are contemplating the organization of a Men's Basketball team. Leave it to the ladies to start something.

Several of the alumni were in school visiting the old grounds before leaving for college.

Messrs. Hill, Hanson and Cassidy and the Misses Harris and Frazer took the Crystal Falls exhibits over to Iron River on Tuesday.

The present High school enrollment is 200. This is an increase of 20 over last year. Besides the main assembly room the old art room on the first floor was put in use for the year.

Elva and Albina Martin have entered the Junior and senior classes respectively from the Iron Mountain High school.

Hazel Uren, Lucy Wright and Harold Swanson, of Alpha, entered the High school here.

The High school chorus will give a concert again this year. The concert will consist of the solos and choruses from the opera "Pinafore."

The date has not yet been set.

The colleges and schools that will be honored by the ex-alumni of the C. F. H. S. are as follows: Stevens Point Normal, Amy Mason; Marquette Normal, Lenore James; Ypsilanti Normal, Mildred Lustfield, Eva Mendelson, Ruth Russell and Thurza

Lyons; University of Michigan, Sam Jacka, Ed. Cayla, Walter Bauer and Everett Larson; Northwestern University, Viva Scadden; Ferris Institute, Ed. Martin; Training School for Nurses (Marquette), Carol Voose.

SWEDISH LUTHERAN CHURCH.

Sunday School at 9:30.
Preaching services at 10:30 a. m. and 7:30 p. m.

Ladies' Aid No. 1 meets at the home of Mrs. Hans Olson Thursday.

Y. P. S. meets in the church parlors Thursday evening.

The Catechumen meets Saturday at 9 a. m.

David J. Lawrence,
Pastor.

METHODIST EPISCOPAL.

Services will be held in the Finnish church Sunday morning at 11 o'clock. (Note the change in the hour from 10:30 to 11). This is on account of a Finnish Sunday School meeting at 10 o'clock.

A temperance address will be given by Mrs. Perkin.

Sunday School immediately after the morning service. There will be no evening service.

HORSE FOR SALE—Black, 9 years old. Inquire of John Johnson, Mastodon.

RETAILERS MUST WAKE UP.

The wife of a Michigan small town hardware dealer answered her door bell and found a peddler on the front porch.

He was selling the greatest potato parer ever invented, and he gave a demonstration that convinced her at once, and she landed over the quarter.

When the husband came home she showed him her bargain, and told him what she paid for it. Imagine her consternation when he said:

"I have a gross of them down in the store and I sell them for ten cents cash--when I find a purchaser."

The woman always has the last word, and hers was to the point; "Then, for goodness' sake, why don't you let people know what you have for sale?"

That is just what the small retailers will have to do. They must let the people know what they have for sale, or see the big mail order houses get all the cash business, while they extend credit.--Daily Call.

FOR SALE.

One full bred Yorkshire Sow, 13 months old, and eight pigs, seven weeks old. Also a number of first class White Wyandotte Cockerels of J. G. Poorman's 209 egg strain. 2 wks. Chas. M. Rogers & Son.

See Triangle programs at the GEM every Monday and Friday.

AUGUST ORE SHIPMENTS.

Believed Now That Fleet Will Handle 60,000,000 Tons This Season.

Iron ore shipments in 1916 will total 60,000,000 tons barring strikes and disasters. The total shipments to September 1 are within 10,000,000 tons of the record season of 1913 and three full months of the season remain.

August shipments of Iron ore aggregated 9,850,140 tons, making the movement to September 1, 39,215,864 tons. It is estimated that the fleet can deliver at least 20,000,000 tons before the close of navigation besides transporting a large tonnage of coal and grain.

The last three months of 1912 the ore movement aggregated 19,386,873 tons, 1,000,000 tons more than in the last three months of 1913. In 1913 the November 9-10 storm put a large number of ships out of commission.

On the basis of 9,250,000 this month, 8,500,000 tons in October and 4,250,000 tons in November and December, the season movement would be 61,000,000 which is the total conservative interests are predicting.

The ore shipments will undoubtedly equal the needs of all during the winter and spring, but when navigation opens there will be need of ore as the stocks will not be large enough to run into the summer as furnace interests plan to have them.

Shipments by ports last month were as follows:

Port--	Tons.
Escañaba	1,061,285
Marquette	634,786
Ashland	1,289,439
Superior	1,950,249
Duluth	3,380,066
Two Harbors	1,534,315

There is every indication now that the year 1916 will set a big record for the state registration of autos. When the licenses were first ordered a year ago the state officials figured that 150,000 would cover all that would be needed.

LOW ONE WAY COLONIST FARES TO CALIFORNIA AND THE PACIFIC COAST
